Model Year Start: 2023	Model: Prius Prime	Prod Date Range: [03/2023 -]
Title: M20A-FXS (COOLING): COOLING FAN SYSTEM (for PHEV Model): ON-VEHICLE INSPECTION; 2023 - 2024 MY Prius Prime [03/2023 -]		

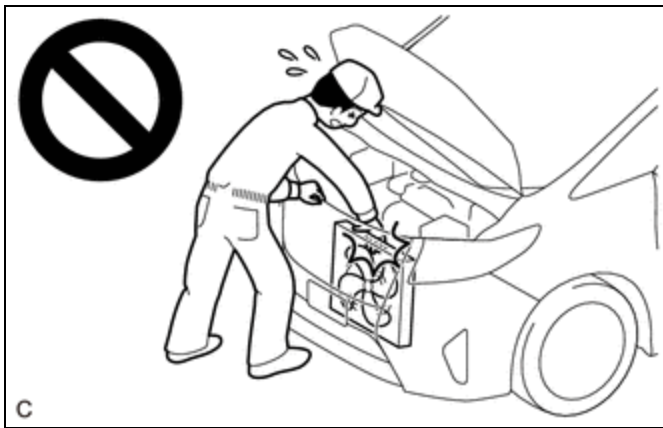

ON-VEHICLE INSPECTION

PROCEDURE

1. INSPECT COOLING FAN SYSTEM

CAUTION:

To prevent injury due to contact with an operating cooling fan, keep your hands and clothing away from the cooling fan when inspecting the cooling fan system.

(a) Check the operation of the cooling fan while operating it using the GTS.

Powertrain > Engine > Active Test

TESTER DISPLAY
Control the Engine Cooling Fan Duty Ratio

OK:

ACTIVE TEST OPERATION	FAN OPERATION
30 - 100%	Cooling fan operates
0%	Cooling fan stops

If the cooling fan motor (fan with motor assembly) does not operate, check the cooling fan circuit.
