Title: THEFT DETERRENT / KEYLESS ENTRY: DIGITAL KEY SYSTEM: Key Registration Message is not Displayed (Owner Key); 2023 - 2024 MY Prius Prius Prime [12/2022 -   ]

Key Registration Message is not Displayed (Owner Key)

DESCRIPTION

When an owner key was newly registered, the registration completed message will be displayed on the multi-information display in the combination meter assembly for a period of 10 days after the new registration.

If the registration completed message is not displayed, check whether 10 days have passed after registration was completed. There may be a malfunction in the certification ECU (smart key ECU assembly).

CAUTION / NOTICE / HINT

NOTICE:

- Before performing troubleshooting of the vehicle, refer to Precautions for Inspection or Registration to check for a cause of the malfunction which is not related to vehicle settings or vehicle components.

    Click here   INFO

- Perform troubleshooting with the electrical key transmitter sub-assembly not inside the detection area of the smart key system.
- Make sure that no DTCs are output. If any DTCs are output, proceed to Diagnostic Trouble Code Chart.
- If the digital key system has been disabled, enable the system before performing troubleshooting.
