Model Year Start: 2023	Model: Prius Prime	Prod Date Range: [12/2022 -]
Title: CELLULAR COMMUNICATION: SAFETY CONNECT SYSTEM: INITIALIZATION; 2023 - 2024 MY Prius Prius Prime [12/2022 -]		

INITIALIZATION

RESET BACK-UP BATTERY CONDITION

HINT:

If the back-up battery (mobilephone battery) has been replaced, it is necessary to perform the Reset Backup Battery Condition procedure.

(a) Enter the following menus: Body Electrical / Telematics / Utility / Backup Battery Replacement Reset

Body Electrical > Telematics > Utility

TESTER DISPLAY
Backup Battery Replacement Reset

(b) According to the display on the GTS, perform Backup Battery Replacement Reset to reset the mobilephone battery replacement flag.
